### **DETAILED ACTION**

1. This is in response to applicant's RCE (request for continuous examination) filed March 8, 2004, in which claims 1-3 are pending.
2. After further search and thorough examination of the present application, claims 1 through 3 are found to be in condition for allowance.

### ***Allowable Subject Matter***

3. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach the specific a portable information terminal having a built in radio communication device, that receives and transmits operation through a time division technique and a power supplying the radio communication section, the information processing section and the interface and means for deactivating the information processing section and the interface when the radio communications section is in a transmission state. These limitations, in conjunction with there limitation of the independent claim, have not been disclosed, taught or made obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
